

European Union 22-26 March 2010
Sustainable Energy Week

Take a week to change tomorrow

Is Your Home Energy Fit? Retrofit!

Welcome & Introduction

Michael Bennett, Executive Director
Eurofuel

Introduction to Eurofuel

- Eurofuel: Umbrella Trade Association, with national association members from 10 European countries (AT, BE, DE, FI, FR, LU, NOR, CH, UK + IRL), representing more than 10,000 companies
- Heating oil provides approx. 20 % of total energy used by households for heating purposes in EU25 + EEA countries
- Eurofuel's members covers complete supply chain:
 - oil companies,
 - heating equipment manufacturers,
 - oil distributors, through to installers (many SMEs)

Take a week to change tomorrow

Eurofuel, Sustainable Energy Europe & the European Re-Building Forum

- Eurofuel: heating oil/ oil heating trade association
- Best practice energy efficiency & renewables incorporation high on our agenda
- Why?
 - Consumers & avoiding energy poverty
 - Promoting technological innovation
 - Environmental responsibility & management
 - Affordable, “cost optimal” hybrid fossil-RES solutions
- Eurofuel has been a Campaign Associate in Sustainable Energy Europe since 2007
- Existing building stock: key challenge <—> Re-Building Forum

Take a week to change tomorrow
